Program Information

Long Beach City College is fully accredited by the Western Association of Schools and Colleges. The nursing program is accredited by the Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Rd, NE Suite 500, Atlanta GA, 30326, (404) 975-5000 and the State of California Board of Registered Nursing. The Career Ladder Program (Licensed Vocational Nurse to Registered Nurse Program) is designed to be completed in two and a half semesters. Two advanced placement programs are offered: Associate Degree program and a Certificate program (30 unit option). This Associate Degree and Certificate prepare students for an entry-level position in a variety of health care settings following successful completion of the NCLEX-RN. The ADN also serves as a foundation for specialization. Persons who complete either program are qualified to take the registered nurse national licensing exam. However, persons who complete only the certificate of achievement program are not graduates of an accredited ADN program and may not qualify for license by endorsement in other states. For additional information call (562) 938-4166.

RESTRICTIONS ON LICENSURE:

Persons with substance abuse problems or with conviction of crimes substantially related to the practice of nursing may not be granted a license by the California Board of Registered Nursing. Fingerprints are part of the application for licensure. For further information see BRN Policy on Denial of Licensure.

ESTIMATED EXPENSES IN ADDITION TO TEXTBOOKS AND TUITION FEES:

Student Uniforms \$250
Licensure \$350

Live Scan \$68
Malpractice \$25

Graduation Expenses \$350
Background Check \$72

Career Opportunities

Graduates of the LVN to RN Career Ladder **Associate Degree** Program are eligible to transfer into the upper-division nursing courses in ADN to bachelor's degree nursing programs and ADN to master's degree nursing programs.

This **Certificate of Achievement** prepares students for an entry-level position in a variety of health care settings following successful completion of the **NCLEX-RN**.

Persons who complete only the 30 Unit Option certificate program are not graduates of an accredited ADN Program and may not qualify for licensure in other states and/or for admission to graduate programs of nursing.

Program Mission and Outcomes

The faculty members of the Associate Degree Nursing Program uphold the mission statement of Long Beach City College, and a commitment to excellence in supporting the community and life long learning of our students.

Outcomes:

- Synthesize the theories and principles that encompass the nursing process and pathological conditions.
- Manage all aspects of the nursing process to achieve positive patient outcomes.
