IN ADDITION to the above major courses, students are also required to obtain general education certification and meet other degree requirements as specified below and on the next page.

General Education Certification Requirements

Completion of EITHER the California State University General Education-Breadth pattern (CSU GE Breadth) OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern IS REQUIRED. For general education patterns, visit the following web site: <http://osca.lbcc.edu/genedplan.cfm>, or the LBCC catalog. After completion of the General Education Pattern **students must request GE certification**. Consult with a counselor for more information about the GE Certification process.

Other Degree Requirements

1. **Minimum Unit Requirements:** Complete a minimum of 60 transferable units. Please note that additional units may be required to meet this minimum based upon courses selected to fulfill CSU-GE Breadth Pattern or the IGETC Pattern.

If following CSU-GE Breadth Pattern		If following IGETC Pattern	
	Units		Units
Public Health Science for Transfer	33.5**	Public Health Science for Transfer	33.5**
CSU-GE Breadth	39	IGETC Pattern	37-39
Minimum Required	60	Minimum Required	60

****Double-Counting of Units:** SB 1440 Regulations allow for double-counting of major requirements towards CSU- GE Breadth or IGETC patterns, and **13-18 units** of the Public Health Science for Transfer coursework can be applied to the CSU- GE Breadth or IGETC patterns.

2. **Minimum Grade and GPA Requirements:** Maintain an **overall grade point average (GPA) of 2.0** ("C" average) in all CSU-transferable coursework. For the major complete each course with a grade of "C" or better, or "P" if course is graded on a P/NP basis.
3. **Residence for the Degree:** Complete at least 12 CSU-transferable units (courses numbered 1-99) in residence at LBCC.
4. **Degree Application:** Complete and submit the degree application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at <http://admissions.lbcc.edu/> . Refer to the Schedule of Classes (<http://schedule.lbcc.edu>) and click the "Important Dates" link to view the actual deadline for each semester.
5. The requirements for general education/proficiency and the field of concentration (major) need to be from the same catalog year. This catalog year may be any year between the year of initial enrollment to the present, provided continuous is maintained throughout. See the catalog for definition of "Continuous Enrollment".

Program Mission and Outcomes

In support of the college mission statement, the Associate in Science in Public Health Science for Transfer (AS-T) curriculum offers lower division courses that prepare students with discipline-specific knowledge, skills and resources for the promotion and protection of public health. The intent of this AS-T degree is to assist students in seamlessly transferring to the California State University system.

Program Outcomes:

- Appraise the guiding principle of public health as a discipline, including how public health differs from personal health.
- Propose public health intervention to improve the health of a population.
