Step 5: In the Creative Cloud, locate the navigation bar to the left of your screen and select, ***Apps.***

Step 6: Choose an Application you wish to Install or Download to your computer.

The screenshot displays the Adobe Creative Cloud application store interface. On the left is a navigation sidebar with sections for 'APPS', 'FEATURED', and 'CATEGORIES'. The main content area is titled 'All apps' and includes filter tabs for 'Desktop', 'Mobile', and 'Web'. Under the heading 'Available in your plan', four application cards are shown: Creative Cloud, Photoshop, Acrobat, and InDesign. Each card includes the application's logo, a brief description, and a 'Download' button. The 'Download' buttons for Creative Cloud, Photoshop, and Acrobat are highlighted with a dark border, indicating they are available for download.
