

## Submitting COVID-19 Test Results to LBCC

---

### Overview

Long Beach City College will require a proof of their COVID-19 vaccination or weekly testing from LBCC students who are taking in-person classes.

Beginning August 26, students can upload negative COVID-19 Test Results in the Viking Student System. If you have not submitted your vaccination record and are taking in-person classes, you are required to submit weekly test results to Long Beach City College in order to be on campus.

# Accessing the Health Clearance Page

Please follow the steps below to access the Health Clearance Page

1 From the Student Homepage screen, click the **Student Service** button.

2 From the Student Service menu on the left side of the screen, click the **Student Health Information** folder, then **Health Clearance**.

3 Review the information on the Health Clearance page

The screenshot shows the 'Student Service' interface. The left sidebar contains a menu with 'Student Health Information' expanded to show 'Vaccine Record Submission' and 'Health Clearance'. The main content area is titled 'Health Clearance' and contains the following text:

**Health Clearance**

To ensure the safety of our students, faculty, and staff, Long Beach City College requires proof of vaccination or weekly negative test results.

- If you are fully-vaccinated and your vaccine record has been reviewed by LBCC staff, you are cleared to attend on-campus classes.
- If your vaccine record has not yet been reviewed by LBCC staff or you are not yet fully vaccinated, you must upload your negative COVID-19 test results before the Health Clearance expiration date listed below.
- If you utilize LBCC's on-campus testing service (VirusGeeks), this expiration date will be updated when your negative test result has been provided to the college. You do not need to upload your negative test results.
- If you test positive for COVID-19, please contact Student Health Services for further assistance at 562-938-4210. Please do not come to campus.

**Instructions for Uploading Your Negative Test Results:**

- Click the "Upload New Test Result" button
- Click My Device and select the file you wish to attach. Attach a file of your test result that includes your full name, date of test and test result. Acceptable formats include .jpg, .pdf, .png, .svg, or .tiff.
- Click the Upload button and then Done when complete.
- LBCC staff will review your submitted test results and update your Health Clearance expiration date.

For more information about testing, go to the student information page of the [LBCC Return to Campus website](#). Your health information will not be shared. This information will be used for verification in order to attend on-site classes only and will not be used for any other reason or purpose.

# Health Clearance Status Messages

The Health Clearance page will display different Clearance Expiration Dates based on the information you have submitted to LBCC.

**Clearance Expiration Date: 08/01/2021**

A Clearance Expiration Date of **08/01/2021** will display if:

1. You have not submitted your COVID-19 test result to LBCC
2. You have not submitted your COVID-19 vaccination record to LBCC

The screenshot shows the 'Student Service' header and 'Health Clearance' section. It includes instructions for ensuring safety and uploading negative test results. A yellow box highlights the 'Clearance Expiration Date' as 08/01/2021. There is an 'Upload New Test Result' button and a section for 'Last Uploaded Test Result' with an 'Upload Date Time' field.

**Clearance Expiration Date: 09/30/2021**

A Clearance Expiration Date of **09/30/2021** will display if:

1. You have submitted a COVID-19 vaccination record which has yet to be reviewed or
2. You have submitted a COVID-19 vaccination record after receiving your first dose of Pfizer or Moderna

The screenshot shows the 'Student Service' header and 'Health Clearance' section. It includes instructions for ensuring safety and uploading negative test results. A yellow box highlights the 'Clearance Expiration Date' as 09/30/2021. There is an 'Upload New Test Result' button and a section for 'Last Uploaded Test Result' with an 'Upload Date Time' field.

## Clearance Expiration Date: (Weekly Testing)

If you will be submitting COVID-19 test results weekly, the Clearance Expiration Date will be updated with your test expiration date each time your testing submission is confirmed.

The screenshot shows the 'Student Service' interface for 'Health Clearance'. The page title is 'Student Service'. Under 'Health Clearance', there is a paragraph explaining the requirement for proof of vaccination or weekly negative test results. Below this are instructions for uploading negative test results, including steps like 'Click the "Upload New Test Result" button' and 'Click My Device and select the file you wish to attach'. A 'Health Clearance Status' section contains a yellow-bordered box with the text 'Clearance Expiration Date 09/30/2021'. There is also a 'Test Results' section at the bottom.

## Completed Vaccination Has Been Verified

If you have submitted your COVID-19 vaccination record to LBCC and are confirmed as fully vaccinated, the following message will appear under Health Clearance Status:

**Your vaccine record has been verified and you are cleared to attend on-campus classes.**

The screenshot shows the 'Student Service' interface for 'Health Clearance'. The page title is 'Student Service'. On the left is a navigation menu with items like 'Student Service', 'My Orientations', 'My Placement Results', 'My Degree Planner', 'My Educational Plan', 'My Participation Agreements', 'Starfish', 'Qless', 'Student Health Information', 'Vaccine Record Submission', and 'Health Clearance'. The 'Health Clearance' section is highlighted. The main content area has the same introductory text as the previous screenshot. The 'Health Clearance Status' section now contains a yellow-bordered box with the message: 'Your vaccine record has been verified and you are cleared to attend on-campus classes.' Below this is a 'Test Results' section with an 'Upload New Test Result' button and a 'Last Uploaded Test Result' section with an 'Upload Date Time' label.

## What To Do If You Receive a Positive COVID-19 Test Result

If you test positive for COVID-19, you may **not** report to campus.

1	Please call the Student Health Center for an initial interview, support, and guidance.	<a href="#">Student Health Services</a> LAC: (562) 938-4210 PCC: (562) 938-3992
2	After an appointment with Nursing Staff, you will be given a return to campus date as well as resources and guidance	
3	Notification of positive test will be reported
