3. **Residence for the Degree:** Complete at least 30 units of the required 60 in residence at LBCC, or complete in residence at LBCC at least 20 units within the last 30 units of work applied to the degree.

Associate Degree requirements continue on the following page:

Associate Degree requirements continued from the previous page:

4. **Residence for the Field of Concentration:** Complete fifty percent (50%) or more of the unit requirements for this field of concentration in residence; this means at **least 10 units** of the required 18.5 – 19 must be **completed at Long Beach City College**. Credit earned by exam, where applicable, may be included.
5. **General Education and Proficiency Requirements:** Complete the required A.A./A.S. General Education and Proficiency requirements*, otherwise known as "Plan A". For Plan A requirements, refer to the general catalog or view it online at <http://osca.lbcc.edu>.
6. Complete and submit the degree application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at <http://admissions.lbcc.edu/>. Refer to the Schedule of Classes (<http://schedule.lbcc.edu>) and click the "Important Dates" link to view the actual deadline for each semester.

*The requirements for general education/proficiency and the field of concentration (major) need to be from the same catalog year. This catalog year may be any year between the year of initial enrollment to the present, provided continuous enrollment is maintained throughout. See the catalog for definition of "continuous enrollment".

Unless otherwise noted, "double-counting" is not allowed. That is, one course may not be used to fulfill both a field of concentration requirement and to fulfill a general education requirement.

Career Opportunities

Students prepare for entry-level jobs in fashion design, production & manufacturing. This program also provides partial lower division preparation for the baccalaureate degree in Fashion Design.

Job Opportunities:

Salary will depend on ability, experience and skills. Starting salary range from \$8/hour - \$15/hour and occupations include; Assistant Designer, Production Manager, Pattern Drafter, Technical Designer, Quality Control, Samplemaker, and Manufacturers Representative.

This **Certificate of Achievement** will prepare students for an entry-level position in the apparel design and manufacturing industry.

This **Associate Degree** will prepare students for career advancement once a certificate has been earned. Field of concentration selection will also facilitate transfer in a related major.

Program Mission and Outcomes
