Students planning to **transfer** to a four-year college or university should refer to the ASSIST web site at www.assist.org and **consult a counselor** before beginning a program of study. Please call 562-938-4561 for the LAC, or 562-938-3920 for PCC to schedule a meeting with a counselor. Students may also wish to visit the Transfer Center on either campus.

Program Admission Requirements

Sequential Procedure for Application to the Program

1. See a counselor to develop an educational plan and for evaluation of previous courses and proficiencies.
2. Complete mathematics proficiency to meet current graduation requirements. Proper documentation must be submitted with application to the School of Health and Science.
3. Complete reading proficiency to meet current graduation requirements through LBCC assessment testing or completion of READ 82 or 83 with a grade of "C" or higher. Proper documentation must be submitted with application to the School of Health and Science.
4. Complete information competency or computer proficiency to meet current graduation requirements. To see a list of appropriate courses check the most current LBCC General Education Plan. Proper documentation must be submitted with application to the School of Health and Science.
5. Maintain an overall grade point average of 2.5 or higher for all courses. A grade point average of 2.5 or higher is required in all science courses for application. Proper documentation must be submitted with application to the School of Health and Science.
6. Proof of U.S. high school graduation or equivalency must be submitted with application to the School of Health and Sci.
7. An official copy of transcripts from other colleges attended must be included with the application to the School of Health and Science.
8. Complete the application form for the LVN-RN Program during the open application period. Forms are available in the "C" Building at the School of Health and Science. Provide proof of having completed steps 1-7. Bring completed application form with a self-addressed, stamped, legal size envelope (4 1/8" X 9 1/2", available in the Bookstore) to the School of Health and Science Building "C". **DO NOT SEAL!** If you wish, you may mail your application to the School of Health and Science, including a self-addressed, stamped, legal size envelope. **IF ANY PART OF THE APPLICATION IS INCOMPLETE ALL MATERIALS WILL BE RETURNED TO YOU.**
9. Qualified applicants will be selected for provisional admission based on the date of successful completion of ADN 20A, the challenge exam, and a minimum score of 62 on the TEAS 5.0 examination (effective Spring 2011). It is your responsibility to notify STAFF if you need special accommodations **prior** to testing.
10. A social security card is required by the California Board of Nursing in order to take the NCLEX. In addition, a social security card is required by some clinical agencies. Inability to provide proof of social security card may jeopardize a student from completing clinical requirements.
11. All required science courses must not be older than 5 years.

Acceptance into the Program

1. You must submit evidence of physical and emotional fitness. A health evaluation form will be provided at an advisement session.
2. You must meet agency requirements for background clearance, immunizations, TB clearance, CPR certification for Health Care Providers, and malpractice insurance. These must be kept current throughout the program.
3. Non-citizen students must show a valid Resident Alien Card or international student visa (F1 Visa).
4. Strong command of the English language, both verbal and written, is essential for successful completion of the program.

IT IS YOUR RESPONSIBILITY TO PROVIDE YOUR CURRENT ADDRESS AND TELEPHONE NUMBER

NOTE: All REQUIRED general education courses must be completed before entry to program since all of them will be required before earning the associate degree.

Program Information

Long Beach City College is fully accredited by the Western Association of Schools and Colleges. The nursing program is accredited by the National League for Nursing Accrediting Commission, 3343 Peachtree Rd, NE Suite 500, Atlanta GA, 30326, (404) 975-5000 and the State of California Board of Registered Nursing. The Career Ladder Program (Licensed Vocational Nurse to Registered Nurse Program) is designed to be completed in two and a half semesters. Two advanced placement programs are offered: Associate Degree program and a Certificate program (30 unit option). This Associate Degree and Certificate prepare students for an entry-level position in a variety of health care settings following successful completion of the NCLEX-RN. The ADN also serves as a foundation for specialization. Persons who complete either program are qualified to take the registered nurse national licensing exam. However, persons who complete only the certificate of achievement program are not graduates of an accredited ADN program and may not qualify for license by endorsement in other states. For additional information call (562) 938-4166.

RESTRICTIONS ON LICENSURE:

Persons with substance abuse problems or with conviction of crimes substantially related to the practice of nursing may not be granted a license by the California Board of Registered Nursing. Fingerprints are part of the application for licensure. For further information see BRN Policy on Denial of Licensure.

Career Opportunities

Graduates of the LVN to RN Career Ladder **Associate Degree** Program are eligible to transfer into the upper-division nursing courses in ADN to bachelor's degree nursing programs and ADN to master's degree nursing programs.

This **Certificate of Achievement** prepares students for an entry-level position in a variety of health care settings following successful completion of the **NCLEX-RN**.

Persons who complete only the certificate program are not graduates of an accredited ADN Program and may not qualify for licensure in other states and/or for admission to graduate programs of nursing.

Program Mission and Outcomes

The faculty members of the Associate Degree Nursing Program uphold the mission statement of Long Beach City College, and a commitment to excellence in supporting the community and lifelong learning of our students.

Outcomes:

- Synthesize the theories and principles that encompass the nursing process and pathological conditions.
- Manage all aspects of the nursing process to achieve positive patient outcomes.
