Career Opportunities

Students following the Proficiency Emphasis develop a competency in at least one foreign language, providing an important entry-level skill for those aspiring to work in the international arena as well as preparing for baccalaureate work

The Language **Certificate of Achievement** (offered only in French, Japanese, and Spanish) verifies for a potential employer that the student can communicate (verbally and in writing) in a wide range of situations, for a variety of purposes at a designated level for effective communication in a business or related professional setting.

This **Associate Degree** provides a greater level of competency than the certificate. The degree also offers an added dimension of cultural knowledge and understanding in region(s) where the language is spoken.
