INFORMATION REGARDING NURSE ASSISTANT CERTIFICATION

Completion of the prerequisite courses of VN 215 qualifies the successful student to apply to the State of California Department of Health Services Aide and Technician Unit for permission to take the required written and performance test for Certified Nurse Assistant. Teachers of the VN 215 course will assist students with the application process. No application fees are charged by the Aide and Technician Unit, but the applicant will have to pay a fee of \$56.00 for a criminal background check. A fee of \$90.00 is charged by the agencies that provide the written and performance testing.

Students planning to enter the vocational nursing program are strongly advised to obtain the Certified Nurse Assistant status. Upon graduation from the vocational nursing program, licensing is delayed at least 3-6 months or longer, and most graduates need to find employment as Certified Nursing Assistants with the option of moving into Licensed Vocational Nurse category when the license is in hand.

Program Mission and Outcomes

Outcomes:
