Career Opportunities

Students prepare for entry-level jobs in fashion design, production & manufacturing. This program also provides partial lower division preparation for the baccalaureate degree in Fashion Design.

Job Opportunities:

Salary will depend on ability, experience and skills. Starting salary range from \$8/hour - \$15/hour and occupations include; Assistant Designer, Production Manager, Pattern Drafter, Technical Designer, Quality Control, Samplemaker, and Manufacturers Representative.

This **Certificate of Achievement** will prepare students for an entry-level position in the apparel design and manufacturing industry.

This **Associate Degree** will prepare students for career advancement once a certificate has been earned. Field of concentration selection will also facilitate transfer in a related major

Program Mission and Outcomes

The mission of the Fashion Design Program at LBCC is to provide students with discipline specific skills to communicate effectively, think critically, and possess the knowledge of technology essential to employment in design related occupations within the fashion industry or the requisite foundation for transfer to a 4-year college or university.

- Create an environment that promotes critical thinking, creativity, teamwork, soft skills, multicultural and global awareness and understanding of social organizational and technological systems.
- Provide educational opportunities in the field of fashion for career employment, advanced study & professional development.
- Predict fashion trends, sketch in flat technical drawings, spec and analyze form, silhouette, proportion, texture and drape of fabric to develop a 2 dimensional fashion line for a target customer and company.
