Unusual Enrollment History Review 2018-2019

Name: _____ LBCC ID#: _____
Last First, M.I

A review of your academic records over the last four award years indicates that during at least one award year, you failed to earn any academic credit. In accordance with federal regulations, you are required to provide official transcripts from all colleges and trade schools attended in the last four award years and an explanation with documentation of the events that occurred during that time.

The Department of Education has requested that we review those transcripts, explanation, and documentation. If the Review shows that you are meeting LBCC's Satisfactory Academic Progress (SAP) standards, you will be awarded financial aid. If the Review shows you are not meeting SAP but it is approved, you may be placed on Academic Plan.

While on Academic Plan, you are required to successfully complete at least 75% of units attempted and earn a GPA of at least 2.75 EVERY SEMESTER. If you fail to meet these requirements, FOR ANY REASON, you will be denied all further financial aid, except the BOGG fee waiver.

A failure to provide an adequate response (all official transcripts) and/or documentation to substantiate your reasons will result in denial of financial aid at Long Beach City College.

List all colleges and trade schools attended July 2014 - June 2018, even if you did not complete any classes.
