Program of study leading to: <u>Certificate of Completion</u>				
<u>REQUIRED COURSES</u>		HOURS	In Progress	Completed Grade
BIO 602	Introduction to Health Sciences	36	<input type="text"/>	<input type="text"/>
READ 602	Reading for Health Career Sciences	27	<input type="text"/>	<input type="text"/>
TOTAL HOURS		63	<input type="text"/>	<input type="text"/>

For graduation with a Certificate of Completion:

- Complete the above required courses with a minimum grade of "C", or "P" if course is graded on a P/NP basis. Complete and submit the certificate application form to the Admissions and Records office during your final semester of course work. These forms are available in the Admissions and Records office, or online at <http://admissions.lbcc.edu>.

Program Mission and Outcomes

The Certificate of Completion in Reading in the Health Sciences will provide students with an opportunity to prepare for success in health science programs. Students will be supported by a reading instructor and develop critical reading skills to understand and apply the concepts presented in health science textbooks. Students will also learn how to monitor and clarify their thinking while taking written and multiple-choice assessments. Upon successful completion students will be equipped to take health science courses, complete necessary assessments such as ATI TEAS, and apply study habits to their health science courses at LBCC and beyond. Students will be required to take BIO 602 and READ 602 simultaneously.

Outcomes:

- Apply varied reading strategies to comprehend and retain fundamentals of health sciences related to anatomy and physiology.
