

3027.      ADMINISTRATIVE REGULATIONS ON PROFESSIONAL TITLES

3027.1      The Associate Vice-President, Human Resources, shall be responsible for administering these regulations.

3027.2      Professional titles are authorized for full-time tenure track faculty as follows:

Assistant Professor: all full-time tenure track faculty prior to tenure.

Associate Professor: all full-time tenured faculty beginning the semester after tenure has been awarded.

Professor: all full-time tenured faculty upon completion of an additional three (3) years of full-time service in a tenured position.

3027.3      The title of Instructor shall be used for all part-time faculty members.

3027.4      Professional titles have no effect on District compensation to faculty.

3027.5      Faculty hired prior to January 1, 2010 will retain their current title if it is of a higher rank than specified by these regulations. Faculty may also apply for advances in rank according to the regulations under which they were hired.

Revised: November 11, 1986

Revised: August 24, 2010
