**Administrative Procedure**  
Chapter 5 – Student Services

---

**AP 5210 COMMUNICABLE DISEASE – STUDENTS**

**Reference:**

Education Code Section 76403

The District shall comply with all state and federally mandated health requirements relative to infectious disease, including:

- Cooperation with local health officers in measures necessary for the prevention and control of communicable diseases in students and
- Compliance with any immunization program required by State Department of Health Services regulations.

The Student Health Center at each college provides:

- Health education and intervention for communicable disease prevention, including disease reporting to the Los Angeles County Office of Public Health.
- Standard immunizations required and/or recommended for the prevention of communicable diseases.
