VII. Does the district have significant fiscal problems that must be addressed? **This year? YES**
Next year? YES

If yes, what are the problems and what actions will be taken? (Enter explanation below, include additional pages if needed.)

Although the District has sufficient reserves to get us through 2008-09, we continue to strategically identify areas for savings in 2009-10. Furthermore, we are closely monitoring the State Budget. No COLA and deferral of State funding will pose a significant challenge as well as force us to implement cost cutting and savings measures right away.
