WELCOME

Congratulations to the Long Beach City College Class of 2024!

Today is about more than wearing a cap and gown to receive your degree or certificate; it's about a whole new world of opportunities opening for you! You are living proof of the possibilities that come with perseverance!

Whether you are transferring to a university or entering the workforce, please know that LBCC is so proud to consider you a member of our alumni family, and we know that you will represent us well wherever you go. Please keep your professors, our alumni association, and the friends you have made here at LBCC up-to-date on your future successes.

We are honored that you chose to share this phase of your life's journey with us, and we want you to know that LBCC will always be your home. These past few years have shown us that regaining

a sense of belonging has been an important aspect of gaining a healthy existence, so we hope you will always consider Long Beach City College as a place you BELong.

On behalf of our LBCC campus community, we join your family and friends in celebrating YOU on this momentous occasion.

All the best for your continued success!

Sincerely,

DR. MIKE MUÑOZ
SUPERINTENDENT-PRESIDENT

FEATURED SPEAKERS

JENNIFER KUMIYAMA

KEYNOTE SPEAKER

Jennifer Kumiyama is an advocate, actress, singer, and an LBCC alumna.

Born with arthrogyriposis, she was the first to perform in a wheelchair on any Disney stage when she was cast in “Aladdin: A Musical Spectacular” at Disney’s California Adventure theme park. Jennifer discovered her passion then to be an advocate for those living with disabilities – showing the world that talent sees no boundaries.

Jennifer was crowned Ms. Wheelchair California 2010 and she was named first runner-up for Ms. Wheelchair America 2011.

Jennifer can be heard as the voice of Dahlia in Disney’s recent animated movie “WISH.”

Jennifer is currently the City of Long Beach Accessibility Coordinator.

DAVE ROMAN

VALEDICTORIAN

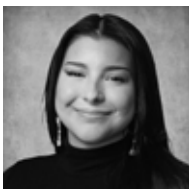

As a graduate, Dave will take his 4.0 grade point average with him to the University of California, Irvine this fall after finding a second chance at Long Beach City College. The pandemic and the loss of his father took his struggles towards a downward spiral that left him jobless and homeless. After finding shelter in a transitional house in Long Beach, he connected with LBCC’s Justice Scholars program that helped him navigate through college.

Dave focused on creating a new life for himself, completing all requirements to transfer within just one year at LBCC. At UCI, he will major in Business Economics with a minor in Statistics. He aspires to one day establish a nonprofit that will help create job opportunities and vocational training for those with high barriers to employment.

WELCOME

EMMA MANETTA

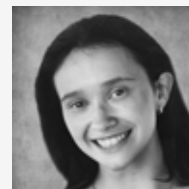

STUDENT TRUSTEE

Welcome, friends, family, loved ones, and community members. Our graduating class has accomplished many firsts this year – from state-wide resolutions passed, to first-time Native representation serving on our student leadership board, to the opening of our first Black Student Success Center. We are eager to celebrate our graduating class with you, today and are all proud of our graduating students’ resiliency and excellence.

CHRISTINE-OLIVE “COCO” DOBARD

ASSOCIATED STUDENT BODY PRESIDENT

Today we recognize students who have completed their academic paths here and will walk off campus to start a new chapter. Engaging with our graduates has been inspiring, as the impacts we see on and off campus are clear. Accomplishments from this entire student body, show that change is made through mutual commitment and collaboration. Congratulations!

PROCESSION

In the procession of faculty, administration, and staff, the various types of gowns, hoods, and tassels have a meaning. The wide-sleeved gown and the black tassel indicate a Bachelor's Degree. A Master's Degree is shown by the slit-sleeved gown and a black tassel. The velvet-trimmed gown and gold tassel denote a Doctorate.

The colors on the inside of the hood represent the college or university granting the degree; the color of the hood trim denotes the school from which the person graduated. The academic attire varies for those with degrees from foreign universities.

For students, black caps, gowns, and red and white tassels signify individuals who are receiving Associate of Arts or Associate of Science degrees. They also wear hoods of red, white, and black signifying LBCC colors.

Black caps, gowns, and red tassels signify individuals who are receiving Certificates of Achievement from specific occupational/technical areas which provide training in job skills.
