When to contact CSU application support:

- Technical issues with the application
- Recommender Portal assistance
- Issues with submitting your application
- Fee waiver eligibility
- Navigating through the applicant portal
- Check status of test scores or letters of recommendation
- Password reset requests

When to contact a campus directly:

- Admission requirements and policies
- Deadline requirements
- Prerequisites
- Supplemental materials
- Requirements regarding the identity of recommenders
- Status of your application after it is complete
- Admission decisions and interview questions
- Content and duration of a particular school's program
- Updates or changes to your application after submission
- Additional information you'd like to include with your application

For questions, please email transferacademy@lbcc.edu, or call (562)938-4670/3916.
