

Free Hotspots and Computers Available!

Are you a Long Beach resident who needs a **FREE** mobile hotspot or computer during the COVID-19 pandemic?

Apply to receive a free hotspot and computer through the **Free Internet Services and Computing Devices Program!**

Long Beach residents will need to provide proof of low-income status and have a Long Beach City address to qualify.

For more information and to apply, please contact:

Digital Inclusion Resource Hotline

Weekdays 8:00 a.m. - 5:00 p.m.

(562) 570-7000

The Digital Inclusion Resources Hotline is closed on alternating for City Furloughs

Digital inclusion navigators are available by phone to facilitate the application process with Long Beach residents.

Additional information can be found at longbeach.gov/ti/digital-inclusion.

The Free Internet Services and Computing Devices Program is part of the City's CARES Act funding efforts. For more information regarding the City's Digital Inclusion Initiative, visit the website at longbeach.gov/ti/digital-inclusion.
