HUMAN SERVICES GENERALIST

- Associate Arts Degree
- Certificate of Achievement

This track is ideal for students who are preparing for a career in Social Work and want to explore various aspects of Human Services. Upon completion, these courses prepare students for entry level positions and help with career advancement for returning students already working in the field.

ADDICTION STUDIES

- Associate Arts Degree
- Certificate of Achievement

The Addiction Studies Program at LBCC is accredited by the California Association for Alcohol/Drug Educators (CAADE). Students who complete the Certificate of Achievement and/or Associate Degree fulfill the academic and work experience requirements for CAADE, and meet the qualifications for other certifying organizations as well. The completion of this program will add to students' employability as the addiction treatment and recovery fields are looking for educated and skilled counselors. In addition, students will be prepared to take the state certification examination upon completing this program.
