FOR LONG BEACH CITY COLLEGE **STUDENTS**

# Citrix Workspace App

---

**Citrix Workspace app** is the easy-to-install client software that provides seamless, secure access to everything you need to get work done. With this free download, you easily and securely get instant access to all applications, desktops and data from any device, including smartphones, tablets, PCs and Macs.

In this tutorial you will learn how to:

1. Download Citrix Workspace App.
2. Access Citrix Workspace App using your Long Beach City College credentials.

# 1. Downloading Citrix Workspace App

**Step 1:** Go to

<https://www.citrix.com/downloads/workspace-app/>

and select the **latest** version that is compatible with your device.

The screenshot shows the Citrix Workspace App download page. At the top, it says "Citrix Workspace App" with a link to "Subscribe to RSS notifications of new downloads". Below this is a section for "End-user adoption resources" with a right-pointing arrow icon and the text "Get your team up and running fast with these Citrix Workspace App end-user adoption resources." and a "View resources →" link. A list of download options follows, each with a circular arrow icon:

- Workspace app for Windows
- Workspace app for Mac
- Workspace app for iOS
- Workspace app for Linux
- Workspace app for Android
- Workspace app for Chrome
- Workspace app for HTML5
- Additional Software
- SDKs and Source

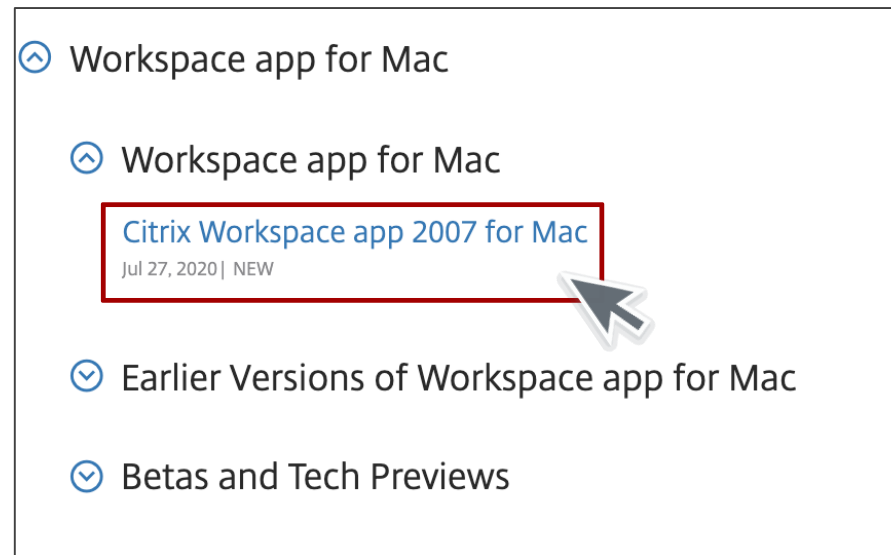

# 1. Downloading Citrix Workspace App

---

## For example:

- If you have a **Mac** device, select the latest version available.
- In this case, the latest version is Citrix Workplace app 2007.

*Note you might see a newer version.*

# 1. Downloading Citrix Workspace App

---

**Step 2:** Click on [Download Citrix app 2007 for Mac](#), and once the download is over, click on the file and save it to the Desktop.

## Citrix Workspace app 2007 for Mac

Release Date: Jul 27, 2020

Compatible with:  
Mac OS 10.13, 10.14, 10.15

[Download Citrix Workspace app for Mac](#)  
(151.1 MB - .dmg)

Version: 20.07.0.6 (2007)

# 1. Downloading Citrix Workspace App

---

**Step 3:** The following screen will appear on your Desktop.

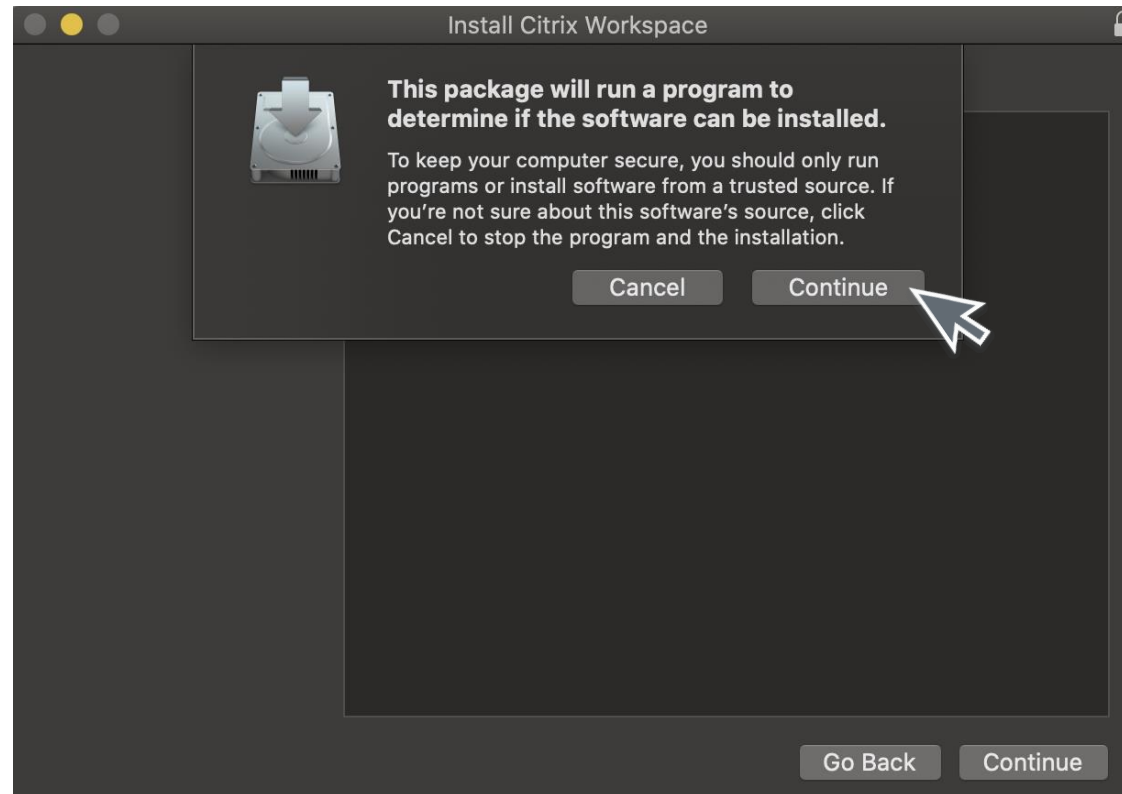

- Click on [Install Citrix Workspace](#).

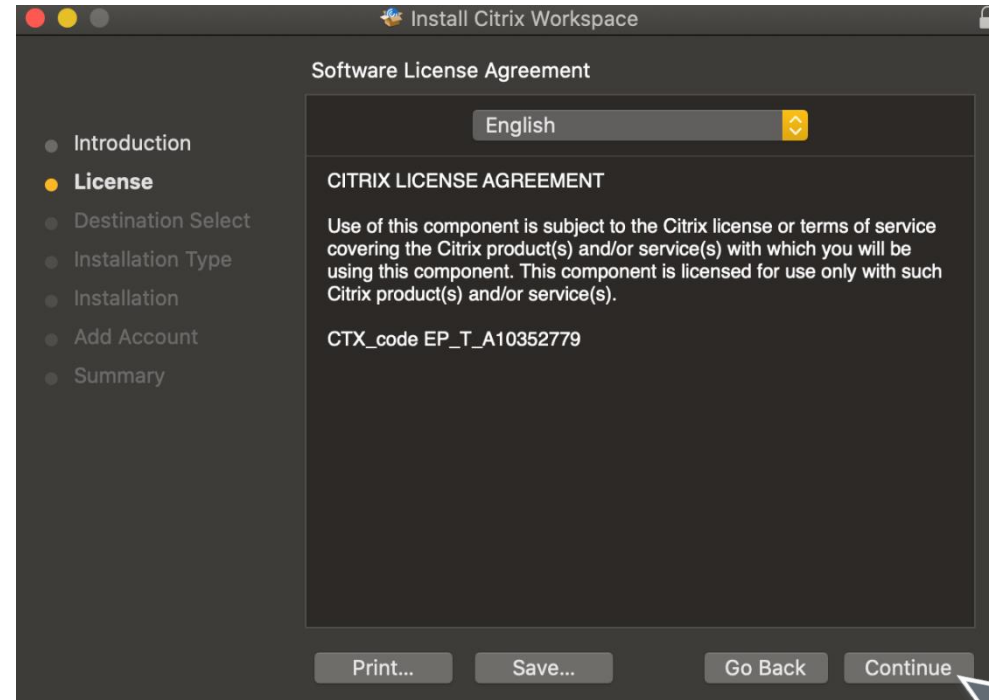

# 1. Downloading Citrix Workspace App

---

**Step 4:** Click on Continue and begin the Installation process.
