

**LONG BEACH COMMUNITY COLLEGE  
DISTRICT**

The Long Beach Community College (LBCCD) District was established in 1927 for the citizens of Long Beach and surrounding communities. The LBCCD has grown to be a leader among community colleges in the nation, with more than 26,000 students enrolled this year. The two campuses of the College are the Liberal Arts Campus and the Pacific Coast Campus.

The LBCCD is a community-oriented institution, committed to providing general and specialized educational opportunities for all students without regard to race, national origin, creed, sex or age.

**MERIT SYSTEM DISTRICT**

The Merit System was established at LBCCD in July of 1978, by act of the Classified Employees of the College, according to California Education Code §88000 - §88180. At LBCCD, excellence in the support of public education is the ultimate goal of the Merit System. Guiding this achievement are the following general principles:

- Hire and promote employees on the basis of ability, with open competition in initial appointment.
- Prevent appointments to positions based upon politics or personal favoritism.
- Ensure that employees doing like work are similarly classified and receive like pay.
- Provide fair and impartial personnel rules and consistency of administration of the rules.
- Assure fair treatment of applicants and employees in all aspects of personnel administration without regard to political affiliation, gender, age, or religious creed,

and with proper regard for their privacy and constitutional rights as citizens.

- Impartial hearing of appeals from disciplinary actions.
- Career service employees are encouraged to remain with and to promote within the College in an effort to retain the services of qualified employees.

**ADMINISTRATION OF THE MERIT SYSTEM**

The Personnel Commission plays a critical role in the selection LBCCD’s excellent classified staff. Working through its Director, the Commission has a threefold responsibility:

- To cooperate with the governing board and classified administrators in the quest for competent employees and good personnel administration;
- To represent the interests of the general public by providing a personnel system dedicated to hiring and retention of highly qualified/competent workers in the service of the jurisdiction, and
- To see that classified employees receive fair and equitable treatment.

The focus of the Personnel Commission for the 2010-2011 school year was to continue to broaden the recruiting methods using the new NeoGov online application process, continue the review and analysis of Personnel Commission Rules & Regulations, and to continue to enhance customer service to the classified employees of the LBCCD.

In focusing on recruitment and selection, we extend our wholehearted thanks to those many individuals who so generously gave their time and expertise to serve on interview panels. Their commitment to excellence truly is visible in the workforce of the Long Beach Community College District.
