

ENGLISH AS A SECOND LANGUAGE

During the public health crisis due to COVID-19, LBCC has taken measures to keep students, employees, and the greater community safe. At this time, the campus is closed; however, we are committed to continue providing services to ESL students while LBCC remains closed. The ESL Office is offering the Student Services and ESL Classes in an online format.

During this period, the ESL Office is assisting the students remotely to complete the application for admissions online, to retrieve student ID#, to enroll in classes and to apply for non-credit certificates. The office also provides guidance on how to reset the school password, how to access the Viking portal and to how access Canvas for online instruction.

The ESL program offers FREE and credit classes
