## SOCIOLOGY

DEPARTMENT OF  
SOCIAL SCIENCES

**LB** LONG BEACH  
CITY COLLEGE

## WHY STUDY SOCIOLOGY?

LBCC's Sociology program focuses on the science of human behavior. Introductory courses explore the development of personality, the role of culture, group dynamics, and social organization and institutions. Students also learn research design, methodology, analytical and interpretation skills to help students think critically about society and social issues. Advanced classes focus on modern social problems, race and ethnic relations, sociology of the family, and the Latinx experience in the United States.

LBCC's Sociology faculty are experts in their field and aim to provide students what they need in order to be successful in Sociology courses, in degree or certificate completion, and/or to transfer.

## ASSOCIATE IN ARTS FOR TRANSFER (AA-T), SOCIOLOGY

The Associate in Arts for Transfer degree prepares students for a broad range of careers in which effective reasoning, research, and communication skills are essential. The AA-T degree also provides a number of benefits for students planning to transfer to the Cal State University (CSU) system, including:

- Guaranteed admission into a CSU school as a Sociology major
- Students will be required to complete no more than 60 units after transfer to earn a bachelor's degree
