

JOB OPPORTUNITIES

A Licensed Vocational Nurse (LVN) can enjoy a rewarding career with great pay in:

- **AMBULATORY CARE CLINICS**
- **PHYSICIANS' OFFICES**
- **LONG-TERM CARE REHABILITATION FACILITIES**
- **HOME HEALTH CARE/HOSPICE**
- **SUB-ACUTE/ACUTE CARE FACILITIES**
- **MENTAL HEALTH/SUBSTANCE ABUSE CENTERS**

Employment opportunities for LVNs are expected to increase dramatically to meet the needs of our growing elderly population. The need for LVNs in nursing care facilities and home healthcare is increasing, as hospital stays grow shorter and patients need additional nursing, education and other healthcare support.

VOCATIONAL NURSING

DEPARTMENT OF NURSING
& ALLIED HEALTH

 **LONG BEACH**
CITY COLLEGE

STATE-OF-THE-ART TRAINING FACILITIES

Long Beach City College's Nursing Program is keeping pace with the rapid advancements in the healthcare field. LBCC recently invested \$11.65 million in renovations to build a state-of-the-art classroom and training facility for the highly regarded nursing program that includes:

- A 1,336-square-foot simulation hospital with patient care rooms linked to a control room
- Closed-circuit cameras to monitor real-time procedures
- Classrooms with remote audio-visual systems
- Lifelike mannequin "patients"
- State-of-the-art data, telecommunications and electrical systems
- New computer labs

LICENSED VOCATIONAL NURSING PROGRAM

- The program can be completed in 3 semesters of full-time enrollment.
- LVN graduates who have completed all ADN prerequisites are eligible to apply into the third semester of the LBCC ADN program.

By attending LBCC, you can:

- Qualify to take the Vocational Nursing Licensure Exam (NCLEX-PN)
- Earn a Certificate of Completion
- Earn an Associate Degree
- Transfer into an ADN program

Additional Certificates:

- IV/Blood Withdrawal

WHO SHOULD APPLY?

Men and women of all ages, from recent high school graduates to those considering a career change, have found rewarding careers in Vocational Nursing. Consider Vocational Nursing if you:

- Are interested in the healthcare field
- Are caring and compassionate
- Enjoy technology and are motivated
- Thrive in a fast-paced environment
- Have good people skills
- Want to complete your education in less than two years

The LBCC Vocational Nursing Program gives priority admission to eligible U. S. Veterans and spouses.
